Sprint 2 Report

Heading
- PeersChat
- PeersChatPeople (PCP)
- 7/14/20

Actions to Stop Doing
- Missing meetings
- Working separately without collaboration
- Overlapping/redundant work

Actions to Start Doing
- Working together to integrate different libraries in order to achieve our MVP
- Holding ourselves accountable for work to be done.
- Focus more on completing a presentable demo for the 1.0 release

Actions to Keep Doing
- Pushing finished code to the GitHub
- Maintaining good code quality
- Creating designs to explain different modules
- Clean documentation of each library

Work Completed/Not Completed
- Completed:
- Not Completed: User story 1, User story 2

Work Completion Rate
- Total user stories completed: 0
- Total estimated ideal work hours completed: 17
- Total days during Sprint 2: 7
